What is happening?

Epic Post Live Survey

- Everyone who has access to Epic will be asked to participate in an Epic Post Live Survey, which will open on November 16, 2020, and close at end of day on December 4, 2020.
- Please be on the lookout for an email about the survey from EpicTogetherUpdate@nyp.org.
- The survey is anonymous and entering your name is voluntary.
- It is important that you encourage your staff members to anonymously submit their feedback in order to help with future implementations, as well as opportunities for improvement with the system. The survey takes approximately 10 minutes to complete.

In case you missed it, please take time to watch the Patient Movement Town Hall video recording and review the Patient Movement Guide, the links are provided below. Topics covered include a review on what patient movement is, and general principles and tips on orders related to patient movement.
