

# EpicTogether

WELCOME!

You have been nominated by your department and/or division to serve as a Specialist Trainer (STS) in preparation for the Columbia Epic Go-Live on January 31, 2020. As an STS, you are showing your willingness to share your knowledge and help your teams, and ultimately our patients, in many ways. Your commitment will pave the way for a better experience for our practices and improved care and convenience for our patients. We truly appreciate the extra dedication you are giving to our Epic integration project.

As an STS, you are committing to approximately 50 hours of training, which includes your preparation for this role and training your peers.

Completion of the 50 hours includes:

- 26 hours of preparation
  - Onboarding: Week(s) of Oct. 7 and Oct. 14
  - Education workshops: (you receive and practice training)
    - Oct. 21 to Nov. 27
    - Up to 18 hours of scheduled sessions with an Epic Principal Trainer and personal practice time
- 24 hours of end-user training and personalization labs, where you train your peers
  - Dec. 4 through Jan. 29, 2020

Information regarding the STS program will be distributed through email. Information also can be found at <https://epictogetherny.org/Training/Pages/default.aspx>.

Please review the attached training bootcamp schedule for Specialist Trainers. Specialist Trainers do not need to register for end-user training.

**Please reply to this email confirming your participation.** Please also provide a phone number that we may use to contact you should any urgent issues arise.

Thank you for your participation in this critically important role. We invite you to join us for the provider training kickoff on Thursday May 9, 2019 from 5 p.m. to 7 p.m. at the Vagelos Education Center, 401 (104 Haven Avenue).

Sincerely,

Dr. Tarah Pua
